

## Spa Details

**Deep Condition Wrap-** a conditioner is massaged into the coat and skin and then wrapped with a warm towel for 5-20 minutes. Formulated animals with sensitive skin, dogs with long coats and undercoats.

**Aromatherapy-** Essential plant oils soothe, promote healthy skin, and enhance emotional well-being. We use the finest essential oils to meet your dogs needs.

Available in:

*Geranium Cedarwood-* Tones & balances skins, lessens pain and inflammation. Helps improve flaky dry skin

*Lavender-*Helps calm and relax, helps with hyperactivity, helps with anxiety, eases nerves

*Lemongrass & Neem-* Adds shine and gloss to dull lackluster coat

*Peppermint-* Invigorating and energizing, helps with arthritis cools skin

**Fresh Facial-** A refreshing blend of blueberry, cucumber melon, or baking soda oatmeal, effectively removes dirt and tear stains and is naturally exfoliating. Beneficial for dogs with facial folds, or tear stains, but refreshing for any furry friend.

**Pawdicure-** Nails trimmed, filed with a dermal to smooth rough edges, moisturizing paw balm is added to the pads.

**Oral Hygiene-** Teeth brushing and minty breath freshener

**Paw Pad Treatment with Massage-**Paw balm that will be massaged into your dog's foot pads to help with the natural wear and tear and keep those pads smooth from cracks.

**Sauna Wrap-** A warm wrap is placed on your dog to help promote less irritated skin.

**Hot Oil Treatment-** Warm oils are massaged into your pet's coat and then placed with a warm towel for 5-10 minutes. Available in: Geranium Cederwood, Lavender, Lemongrass & Neem, and Peppermint

**Sport Fan Package-**Husker bandana and/or bows, pawdicure with nail polish, hair color, and 2 tattoos.

**Hair Color-** Semi-permanent coloring approved by PETA. Added anywhere you would like:  
Available in: Red, Pink, Yellow, Green, Blue, Purple

**Body Massage-** 15-20 minute body massage in nice light long strokes starting at your pets head and working towards the tail. When massaging the sides gentle strokes help to stimulate the organs and increase circulation which is especially beneficial in older dogs.

**30 minute instruction class-** a "How To" class about proper grooming tips on brushing, bathing, how to get my puppy used to being groomed, things I can do to make it an enjoyable experience for my pet and the groomer. What to do in between grooms. Available Tuesday and Thursday nights, at this time. Please speak with Kay to schedule an appointment.

**Aloe Mist-** Is an Anti-Itch spray that helps relieve itching and pain. Aids in the treatment of minor skin problems. Soothing non-sting Aloe-Lanolin base.

**What our grooms Include-** All grooms include Bath, brush, and blow-out. Our groomers trim the nails, pluck the hair from the ears to help prevent infection, trim the potty trail, and express anal glands.
